

DICING WITH MATHS!

- ◆ **Throw the dice**
- ◆ **Multiply the number by 2**
- ◆ **Add 5**
- ◆ **Multiply by 5 (remember this total)**
- ◆ **Throw dice the second time**
- ◆ **Add this second number to the previous total.**
- ◆ **Multiply by 10 (remember total)**
- ◆ **Throw the dice for the third time and add the number to the last total.**
- ◆ **Subtract 250 and you will be left with three figures.**

These figures represent the numbers thrown and the order in which they appeared!
